With Cornubia Forest nearby and all the conveniences of great schools and shops, this grand Queensland home showcases three luxurious levels of living! Behind a distinguished facade with wrap around verandahs are an array of separate internal living areas, four bedrooms, four bathrooms, an office, a resort style swimming pool and many more features.

The master bedroom is located on the middle level. Adjacent is an office/nursery. Perfect if you need to work from home or be close to your sleeping baby! The lowest level boasts a large games/party room with wet bar, another bathroom and a sauna. This could also be used as a granny flat or guest accommodation.
